Switches
Valves

FILTERS

Accessories
Carbon Cartridges
Cartridges/Tubes
Filter Bags
Filter Systems
Filter Housings & Filter Media

HEATING & COOLING

Coils
Controls
Electric Heaters
Heat Exchanger

RELATED & PLATING EQUIPMENT

Agitation Motors & Rollers
Amp Hour Meters
Anode Baskets
Anode Hooks
Bath Feeders
Cleaning Chemicals
Deionizer
Dipping Baskets
Dryers
Electric AC Motors
Evaporators
Hose & Spray Nozzles
Ion Exchange
Membrane Pretreatment

Mixers
Ovens
Plating Barrels
Polypropylene Balls
Power Supply
Pump Parts & Repair Kits
Rectifiers & Pulse Rectifiers
Regenerative Blowers
Reverse Osmosis Systems
Timers
Titanium Fasteners
Ultraviolet Light Systems
Water Restrictors

CUSTOM PLASTIC FABRICATORS

JP Plastics are fabricating experts in using PVC, CPVC, polypropylene, and polyethylene materials in their custom products. JP Plastics fabrications to industrial manufacturers, municipalities and system integrators since 1997.

Specialties Include:

- Tanks
- Containment Trays
- Clarifiers
- Fans And Hoods
- Scrubbers
- PVC Ventilation Ductwork
- Push Air Systems
- Complete Plating Lines
- Pumping Stations
- Electroless Nickel Tanks
- Rigid Liners
- Custom Products:
 - Tank Covers, V-Blocks, V-Rollers

SERVICE DIVISION

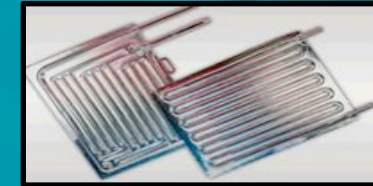

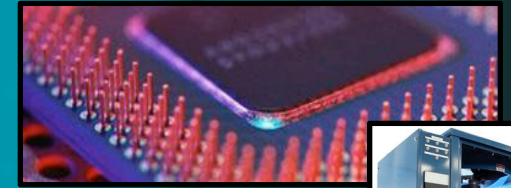

As part of our continued commitment to quality customer service and support, Maltz Sales Company now offers a full service in-house/field service/repair shop for all of your equipment needs

Our Services Include

- Project Consultation
 - On-Site Evaluations
 - System Trouble Shooting
 - In-Stock Supplies And Parts
 - Preventative Maintenance
 - Excellent Workmanship
- Specializing In:**
- Rectifier Repair And Calibration
 - Temperature Control Calibration
 - Plating Line Installations
 - Ventilation System Installations
 - Pump Repairs
 - Instrumentation Installations

- Coils
- Controls
- Electric Heaters
- Heat Exchangers
- Plating Lines
- Power Supply
- Rectifiers
- Tubing

HEATING, COOLING & PLATING

PROCESS TECHNOLOGY

- Deionized Water Heaters
- Electric Immersion Heaters
- Heat Exchanges & Coils
- High Temperature Filters
- Inline Chemical Heaters
- Inline Solvent/Nitrogen Heaters
- Quartz Infrared Radiant Heating Elements
- Temperature Controls

- Controls
- High Power
- Medium Power
- Multiple in One
- SCR Rectifiers
- Stock Units
- Switch Mode
- Transformers

TYTAN WATER HEATER

By Process Technology

- Installation is fast and easy
- Virtually no maintenance
- Ultra-fast heat up
- Temperature stability
- Titanium elements maximize cleanliness
- Available in sizes up to 144kW, wall-mounted up to 72kW

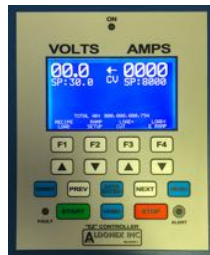

AMERICAN PLATING POWER

- AC Power Supplies
- DC/AC Power Supplies
- ED Coating Power Supply
- Remote Controls
- Reverse Pulse Power Supplies
- SRC Rectifiers
- Switch Mode Power Supplies
- Variable Transformers

ALDONEX INC "THE LITTLE POWER COMPANY"

- EZ Controller
- Periodic Reversing Units
- SCR Power Supply
- Switch Mode Power Supply
- Tapswitch Power Supply
- Variable Transformer Power Supply

Novak Technologies

- Power Supplies

- Finned Coil Air Heat Exchangers
- Finned Tube Air Heat Exchangers
- Heaters
- Plate Heat Exchangers
- Scraped Surface Heat Exchangers
- Tubular Heat Exchangers

AMETEK®

FLUOROPOLYMER PRODUCTS

- Immersion Coils
- Reactor Coils
- Shell & Tube Heat Exchangers
- Fluoropolymer Tubing

Dynatronix®

- DC Power Supplies
- Pulse Power Supplies
- Reverse Current Power Supplies
- Controls & User Interfaces

TRANZER® The heat transfer people

- Plate Heat Exchangers
- Shell & Plate Welded Heat Exchangers
- Spiral Heat Exchangers
- Prime Surface Heat Exchangers
- Mini-Welded Heat Exchanger

Intelligent Heater LLC CLEPCO Heat Smart Heat Right since 1947

- Controls
- Heat Exchangers
- Infrared Radiant elements
- Metal
- PTC Heaters
- Specialty Heaters
- Teflon
