Reverse Osmosis Systems  
Timers  
Titanium Fasteners  
Ultraviolet Light Systems  
Water Restrictors

#### CUSTOM PLASTIC FABRICATORS

JP Plastics are fabricating experts in using PVC, CPVC, polypropylene, and polyethylene materials in their custom products. JP Plastics fabrications to industrial manufacturers, municipalities and system integrators since 1997.

##### Specialties Include:

- Tanks
- Containment Trays
- Clarifiers
- Fans And Hoods
- Scrubbers
- PVC Ventilation Ductwork
- Push Air Systems
- Complete Plating Lines
- Pumping Stations
- Electroless Nickel Tanks
- Rigid Liners
- Custom Products:
  - Tank Covers, V-Blocks, V-Rollers

#### SERVICE DIVISION

As part of our continued commitment to quality customer service and support, Maltz Sales Company now offers a full service in-house/field service/repair shop for all of your equipment needs

##### Our Services Include

- Project Consultation
  - On-Site Evaluations
  - System Trouble Shooting
  - In-Stock Supplies And Parts
